I understand that I have a non-time limited specialty certificate in General Pediatrics. By signing this form, I understand that I am volunteering to participate in the OCC process. I understand that I will be taking the recertification exam and must meet all requirements and pay all fees associated with the exam in order to continue with the OCC process. I also understand that a failure on the recertification exam will not result in a loss of my undated certificate. I also understand that I may cease participation in OCC at any time without penalty or loss of my certificate.
